**MOTION FOR RECOMMENDATION
TO BUREAU OF PRISONS BY DEFENDANT PARADISO**

Defendant, Louis Paradiso, by and through his attorney, Scott P. Lopez, hereby requests the Court to recommend to the Bureau of Prisons that he serves his sentence of twelve months and one day at the Federal Medical Center (FMC) Devens' Satellite Camp which, according to the Bureau of Prisons' website, houses minimum security male inmates.

In support of this recommendation, defendant states, by and through undersigned counsel, that this recommendation will allow defendant's spouse and elderly and infirm father to visit with him during his term of imprisonment. In addition, defendant likely will require monitoring of his diagnosed chronic pain condition called Complex Regional Pain Syndrome ("CRPS"), also known as Reflex Sympathetic Dystrophy Syndrome, and FMC Devens is well-suited to provide any monitoring or treatment that may be necessary while he is serving his sentence of imprisonment.

WHEREFORE, defendant respectfully requests that the Court recommends to the Bureau of Prisons that he serves his sentence at FMC Devens' Satellite Camp.

Respectfully submitted
By Defendant,
LOUIS PARADISO
By his attorney
